

THE FIRST TRAVEL EXCHANGE

Why travels can't be resold?

People have the possibility to resell almost anything

Clothes

Vinted

Goods

ebay

NFTs

 **OpenSea**

Rarities

stock 

Stocks

eToro

Cars

Auto
Scout24

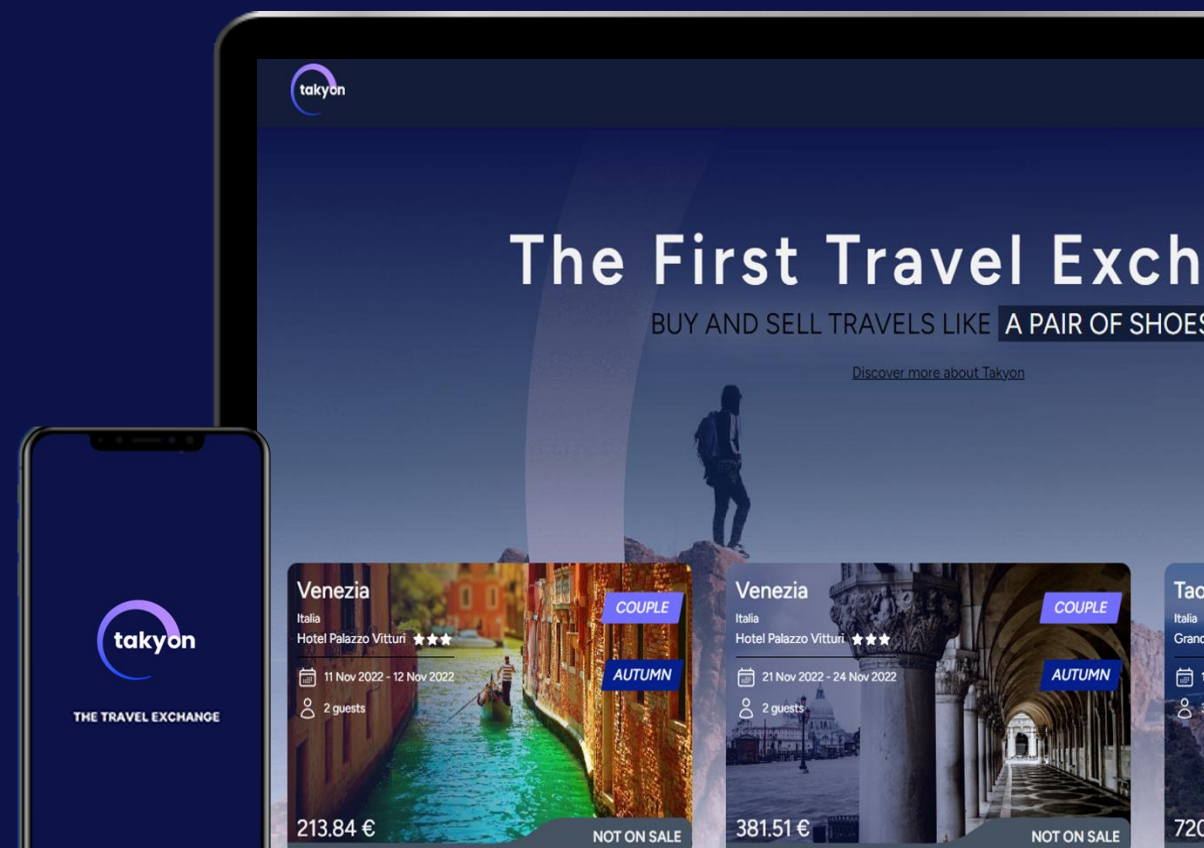

~~TRAVELS~~

There is no way to resell travel bookings since they are
nominal contracts for services and not goods

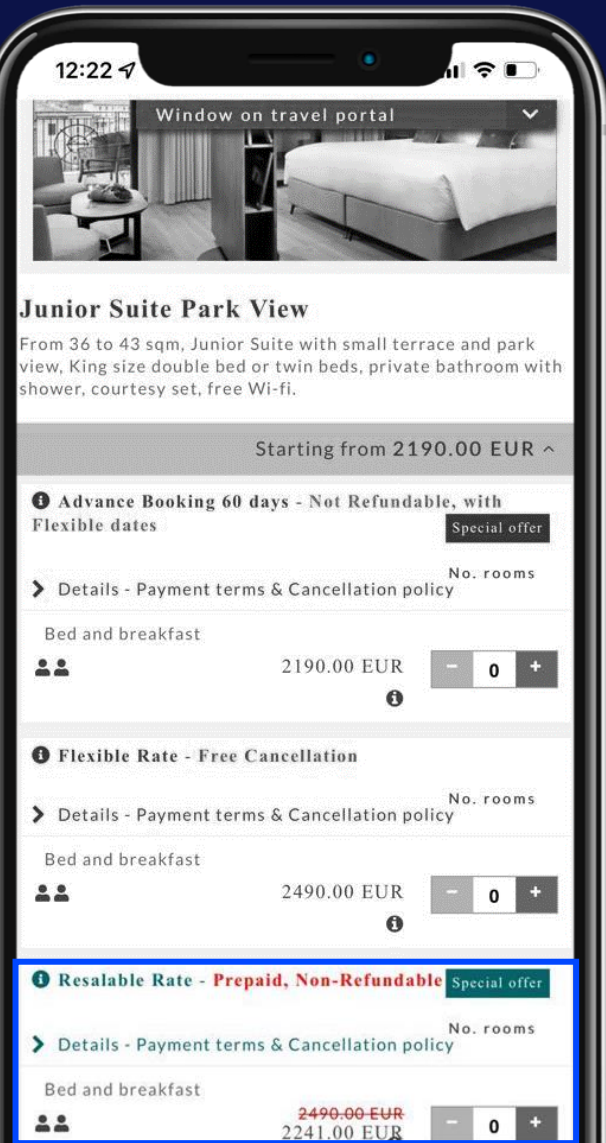

TAKYON

The first Travel Exchange

We are filling the gap,
allowing people to **resell** travels
transforming bookings into NFTs

We know how to build it

NFT CREATION

Resellable Rate

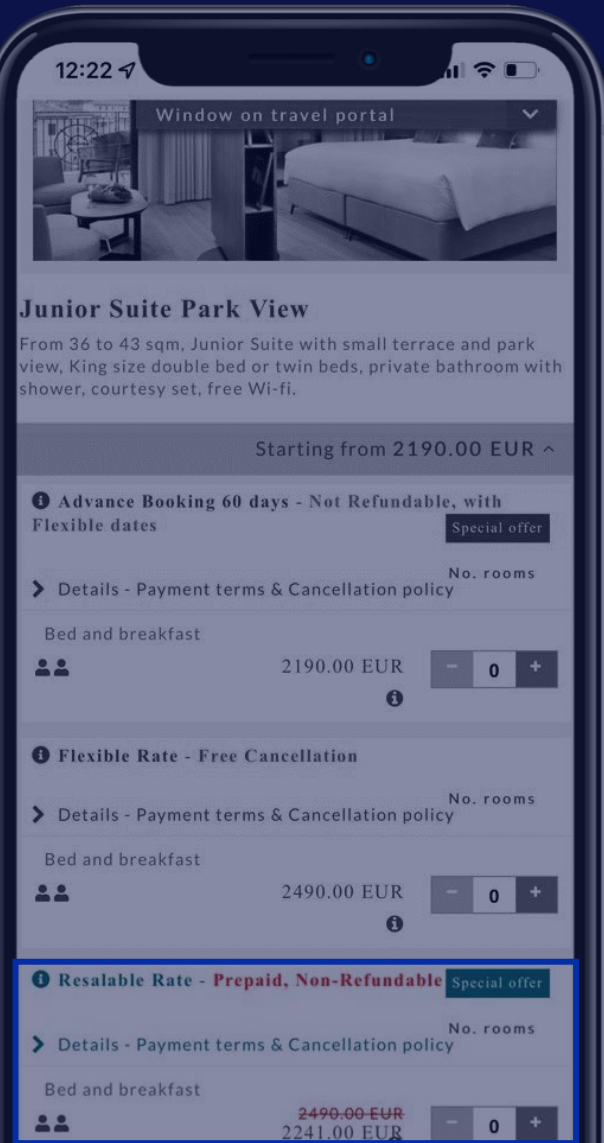

Easy

Travellers buy the «Resellable Rate» on Partner's channels which is automatically transformed into a NFT

Free

The creation of the NFT is completely free both for Partner and Customer

We know how to build it

NFT CREATION

Resellable Rate

Easy

Travellers buy the «Resellable Rate» on Partner's channels which is automatically transformed into a NFT

Free

The creation of the NFT is completely free both for Partner and Customer

NFT RESELL

Travel Exchange

5% Fee

To resell travels the seller is charged with a 5% commission

We are getting the first results

We launched Takyon the 3rd of October

HOTELS

with the RESELLABLE rate

9

- 7 hotels in Italy and 2 in Spain
- +1k potential Hotels by EoY with booking engine integrations

NFT CREATED

with RESELLABLE bookings

+70

- 8 partners (out of 9) received bookings
- ~€55k of bookings' value

OBSERVED BEHAVIOURS

- RESELLABLE rate as the only not-ref and pre-paid
- RESELLABLE rate as a new option vs. ref and not-ref

Through a completely new experience

SMOOTH CX, HIGH FLEXIBILITY

Option 1

Redemption

The user **enjoys** the travel service

Option 2

Resell

The user **resells** the travel service to others

WHY NFTs?

1

Full ownership

2

Transaction safety

3

No tampering

TAKYON for TRAVELERS

is a game changer.
Brings advantages to all of the industry actors.

SELLER

Change plans without
losing money

Make a profit selling at
higher price

BUYER

Save money buying at
lower price

Buy sold-out travels

TAKYON for BOOKING PROVIDERS

is a game changer.

Brings advantages to all of the industry actors.

MORE PRE-PAID NOT-
REFUNDABLE BOOKINGS

Conversion of bookings from Refundable to Resellable (pre-paid and not refundable, with immediate and guaranteed cashflow)

HIGHER MARGINS

Possibility to charge higher prices vs standard pre-paid and not-refundable bookings thanks to the possibility of resell

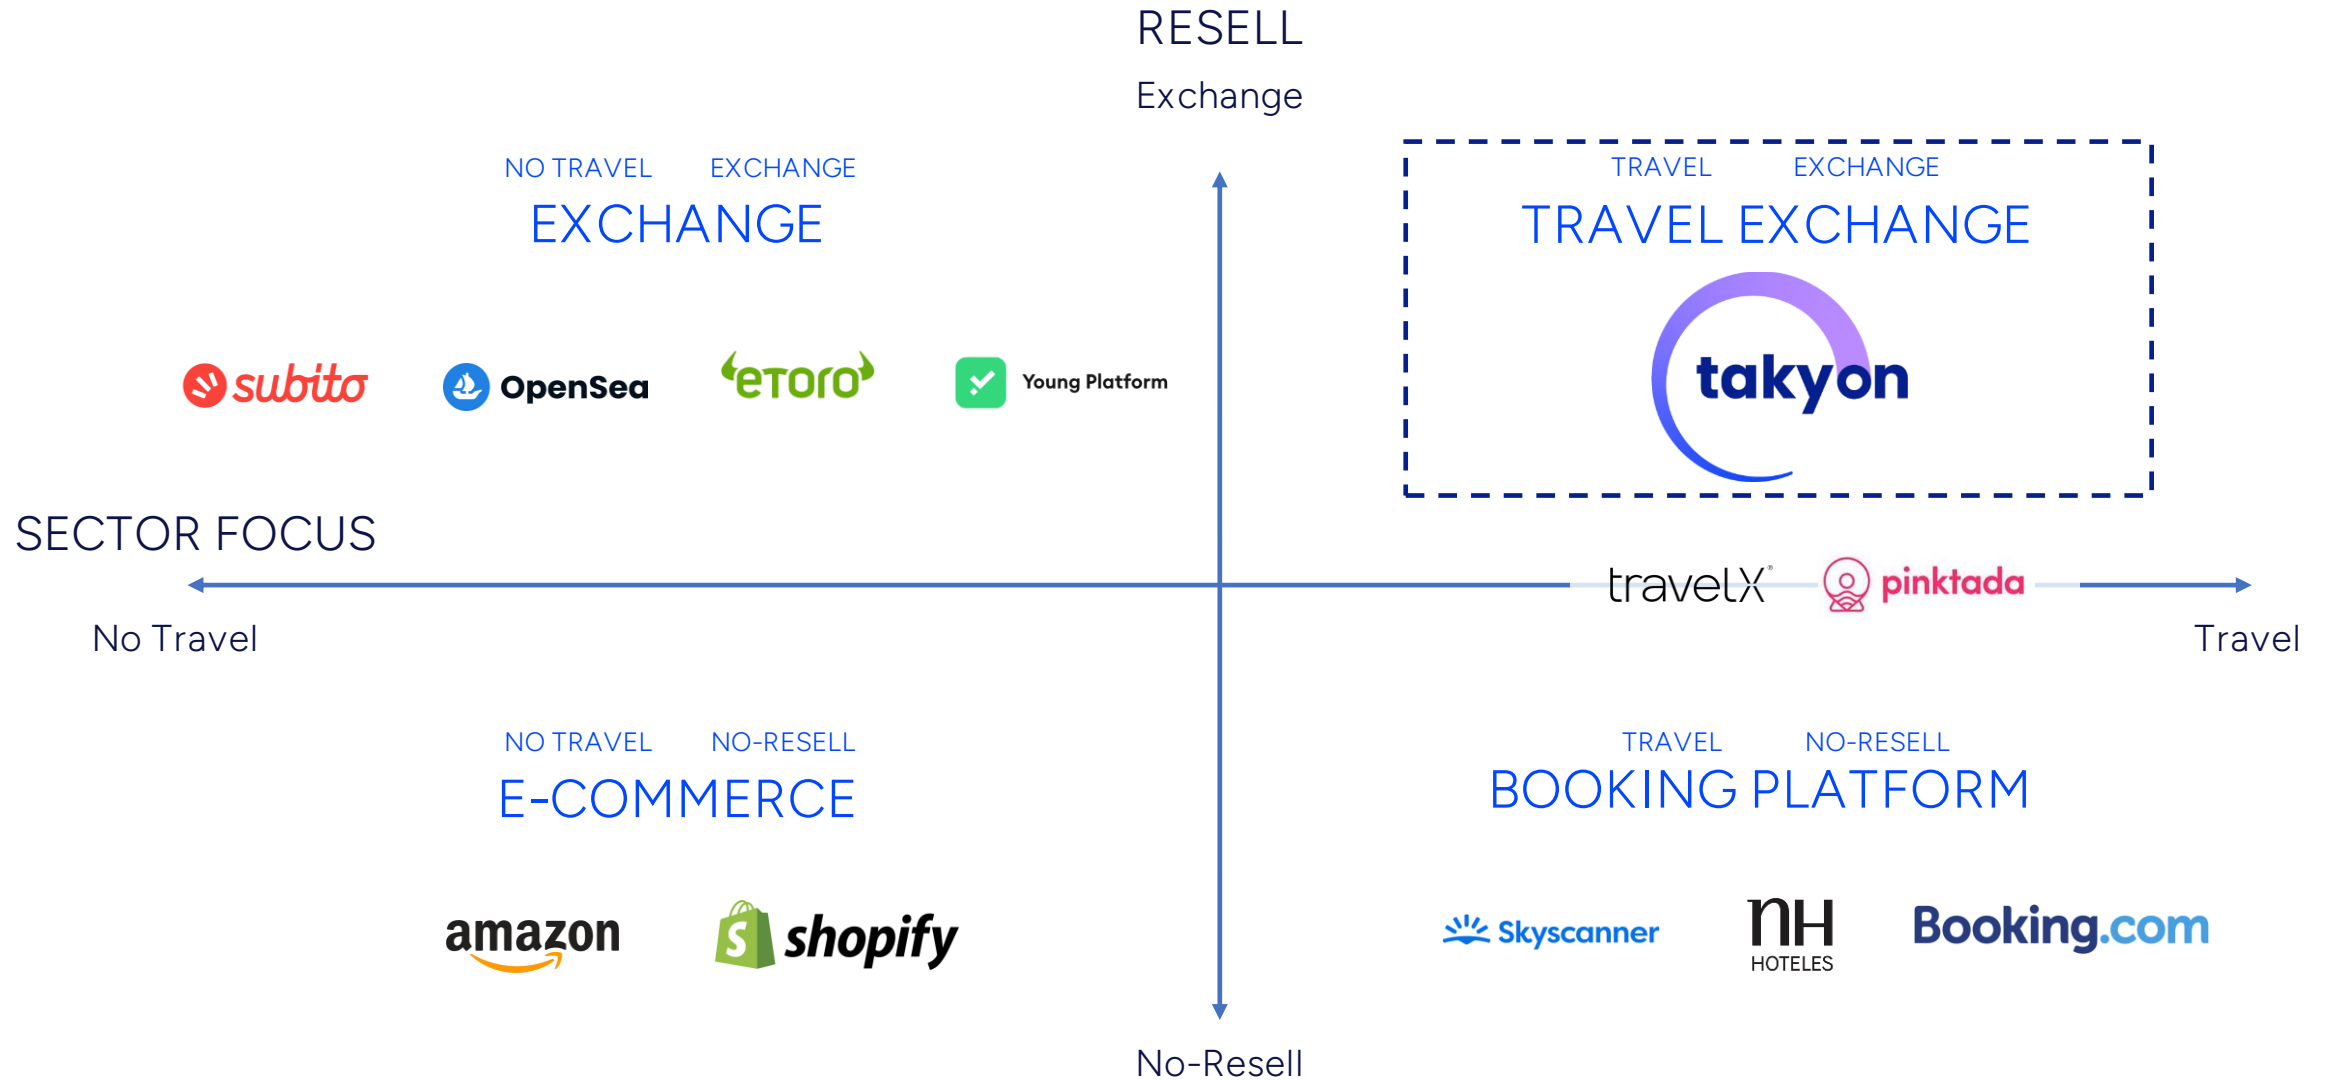

NEW REVENUE STREAM

Commission of 2.5% on the final price earned on each resell

DIFFERENTIATION FROM
OTAs

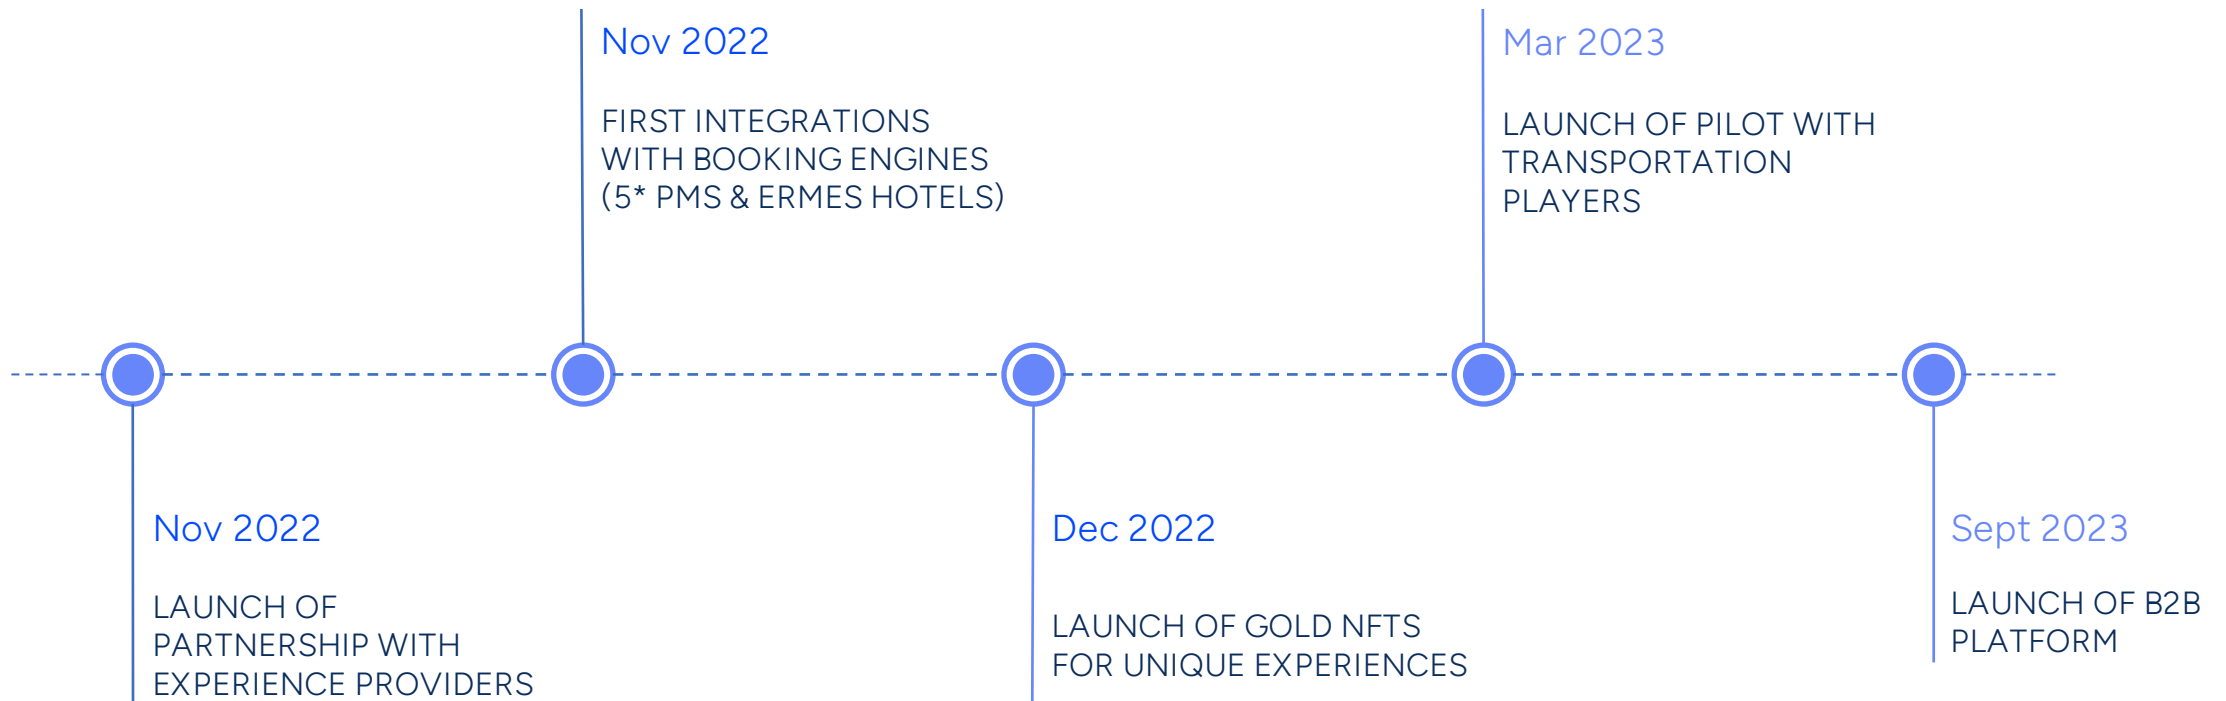

Resellable rate available only for bookings on direct channels

We have a unique placement

With a clear roadmap for a great challenge

Roadmap to EU leadership
